Owner: Walker County, Georgia

Separate sealed Bids for furnishing of all materials, labor, tools, equipment, and appurtenances necessary for the Ivy Street Culvert Replacement project will be received by the Owner at Walker County, 101 S Duke Street, LaFayette, GA 30728, until 2:00 p.m., local time, on Thursday, February 19, 2026, and then at said office publicly opened and read aloud.

The Project consists of the following major elements: Replacement of a failed existing stormwater infrastructure located in front of a commercial parcel at the intersection of Ivy Street and Highway 27. The work will include construction of new culverts with a total of approximately 150 linear feet, subject to field conditions. The culvert is located within a high-traffic area that experiences frequent heavy truck loading, which has been incorporated into the design criteria. Construction will be performed in accordance with the plans and specifications.

Copies of the Contract Documents and Specifications, including bidding documents and requirements and Contract Drawings may be examined at the offices of the Engineer, CTI Engineers, Inc., 1122 Riverfront Parkway, Chattanooga, Tennessee 37402 (phone 423/267-7613, www.ctiengr.com). Copies may be obtained there upon payment of \$100 for each set. This payment is not refundable.

Bidders must be listed on Engineer's list of planholders who have purchased the Contract Documents, Specifications, and Drawings.

Engineer shall be provided with the following information: mailing address for U.S. Postal Service, physical delivery address, telephone number, FAX number, email address, and name of contact person.

A Bid Bond of 5% of the total project cost is to be included in the proposal package. The Successful Bidder will be required to furnish performance and payment bonds with the executed Agreement meeting the requirements of the Contract Documents and executed on the forms attached to the Agreement. The terms and time for payment are set forth in the Agreement.

Surety and insurance companies must have an AM Best rating of A-10 or greater, be listed in the Federal Registry of Companies holding Certificates of Authority and Acceptable Sureties on Federal Bonds, be licensed by the Georgia Insurance Department and the Georgia Secretary of State to do business in the State of Georgia.

Contractor must have minimum Worker's Comp and General Liability Insurance in full force and effect. No proposal will be considered unless it is accompanied by satisfactory evidence that the Bidder holds Georgia State Contractor's License of proper classification and in full force and effect, in compliance with the provisions of O.C.G.A. Sec. 43-14-2 et seq. Pursuant to O.C.G.A. § 13-10-91, all contractors and sub-contractors performing work within the State of Georgia on a contract with a public employer must register and participate in a federal work authorization. Walker County will require certification from contractor that this requirement has been met.

Walker County reserves the right to accept or reject any and all proposals, to waive formalities, technicalities or irregularities and to re-advertise if necessary. The contract between Walker County and the selected responder shall be subject to the payment agreement drawn up between Walker County and the selected responder
